Mortons Gap M. E. Church South

The new Methodist Church at Mortons Gap is progressing nicely. Thursday evening at the home of Mr. J. R. Cavanaugh, after prayer meeting a Woman's Home, Missionary Society, with the assistance of Rev. W. A. Grant, was formed. The pastor Rev. Walter N. Martin will preach Sunday morning at 11 a. m. on "Little Sins," and at 7:30 p. m. on "Friendship" at the Odd Fellows Hall. All are invited. The Missionary Society will meet Sunday afternoon at 2:30 with Mrs. Joe Childers.

The revival at the Methodist Church of Madisonville is growing in interest and many additions are being made to the church. Sunday night the church was packed to overflowing, and many were unable to gain admittance. Rev. Wimberly is de-

livering some splendid sermons, and the music is about the best ever heard in the city.

Death Angel Visits Earlington

The death angel visited Earlington Wednesday afternoon about five o'clock and bore to her eternal resting place the spirit of Mrs. Geo. W. Bates the young wife of Geo. W. Bates.

Mrs. Bates had been ill for a number of weeks and her life hung by a thread for several days. She was kept breathing by the inhalation of oxygen for some time. During her illness with typhoid pneumonia her mother and father and two brothers visited her and two of Mr. Bates' sisters were here but all had returned to their homes and her father was the only one of these relatives present at the time of her death. She had long been a member of the Baptist Church and was a consecrated Christian.

She was moved to Lebanon, Tenn., her childhood home for interment and was accompanied by her husband and Chas. Webb of this city. The many friends of the bereaved husband extend their heart felt sympathy in this hour of sorrow.

Chills, frosted feet or hands, can be cured with one or two applications of BALLARD'S SNOW LINIMENT. It quickly relieves itching or tenderness of the skin. Price 25c, 50c and \$1.00 per bottle. Sold by St. Bernard Mining Co. Incorporated, Drug Department.

Seriously Injured

The little son of J. W. Elliott of the Mortons Gap country was kicked by a mule Wednesday and seriously injured. His skull is thought to be fractured. The many friends of this excellent family trust the injury will not prove fatal.

Hon. Ruby Lafoon to Speak

The Hon. Ruby Lafoon, of Madisonville, will speak at the Opera House in this city Monday night Nov. 4th. on the political issues of the day. He is an eloquent orator and will please all who hear him. A special invitation is extended to the ladies.

Taft Not a Party To Brownsville Affair

In view of a disposition to lay part of the blame for the Brownsville affair on William H. Taft, who was Secretary of War when Theodore Roosevelt as President of the United States dismissed the Twenty fifth Colored Infantry from the service of the government, the New York Age, a newspaper printed by and for the colored people of this country recalls that on the seventh of August, 1908, President Roosevelt telegraphed to Secretary Taft from Porto Rico directing that his order of dismissal be enforced unless "there are new facts of such importance as to warrant your cabling me." "I care nothing whatever," said the President, "for the yelling either of the politicians or the sentimentalists—the offence was heinous and the punishment I inflicted after due deliberation."

"It is a matter of record," says the Age, which proposes to put the responsibility exactly where it belongs, that Secretary Taft held up the discharge order for five days, while President Roosevelt was on the high seas, and that he did not release the order for execution until he received President Roosevelt's cablegram from Ponce."

That is all true enough. Nothing was ever heard about Secretary Taft's responsible participation in this Brownsville business, until after the Colonel got ready to run for the Presidency again, and the Colonel's friends thought they could gain a point for him and take one away from the President by contriving a new history.

William H. Taft was at the time of the Brownsville incident the subordinate of Theodore Roosevelt. He knew it; Mr. Taft knew it; the Twenty fifth Colored Infantry knew it; the country knew it. When he announced that "the punishment I inflicted I imposed after due deliberation," Col. Roosevelt assumed the responsibility—all the responsibility. That ought to end the controversy.

LEXINGTON LEADER

Brilliant Reception in Honor of the VICTORY-HART Wedding Last Wednesday Evening

The wedding of Miss Elizabeth Victory, of this city, and Mr. Brent Hart, of Madisonville, which was solemnized Wednesday evening at 5:30, was most beautiful and impressive. Rev. McFarland, of the Catholic Church officiating, the bride's sisters, Misses Margaret and Catherine, being her attendants.

The reception given at the home of her mother, Mrs. J. M. Victory, in this city, from the hours of 8 to 11, was the most brilliant event given in this part of the State in years. The typical old Colonial home was on this occasion more than beautiful, each room being transformed into a veritable bower of roses.

The floral environment of the French parlors, finished in blue and gold, where the bridal party received, was exceedingly attractive, tall Dresden jars and antique vases being filled with gorgeous American beauty roses. The music room and library were decorated in the same flower, the mantel shelf, windows and tables being banked in Southern smilax and beauty roses, while jars filled with American beauties were arranged in every conceivable place.

The halls were decorated in quantities of huge white chrysanthemums arranged in a greenery of smilax and ferns and from an alcove in the back hall floated soft, sweet strains of music furnished by Charley's Band.

The color scheme of pink and white was artistically carried out in the decoration in the dining room. Quantities of pink La France roses were arranged in vases of cut glass on the buffet, mantel and china cabinet, while the table was wreathed in La France roses and ferns. Cut glass candle sticks holding white tapers and hooded with pink silk rosebud shades were placed at intervals on the mahogany table on lace doilies. The wedding cake iced in white with a gorgeous bouquet of crystalized chrysanthemums was placed as a center piece.

A canopy of interwoven pink tulle draped from the four corners of the room was caught over the central chandelier with an exquisite bouquet of La France roses and southern smilax which was festooned over the rosebud electric light bulbs.

The bride was beautifully gowned in an entrain creation of brocade charmeuse, trimmed in Venetian point lace and pearls. The tulle veil, which fell in graceful folds to the end of the train, was arranged under a cap of real lace, being held in its place by a bar of diamonds, a gift of the groom. She carried a bridal shower bouquet of valley lilies.

The groom was handsomely clothed in the conventional black.

Miss Margaret Victory wore an exquisite gown of yellow crepe meteor veiled with French chiffon and trimmed with pearls, the court train being caught at the shoulders with exquisite pearl trappings. She carried a shower bouquet of Marshall Neil roses.

Miss Catherine Victory wore an entrain gown of Median blue crepe meteor gorgeously trimmed in strands of dewdrops and veiled in pink chiffon and carried a French bouquet of pink bridesmaid roses.

A three course luncheon was served, the individual cakes, ices and mints were pink rosebuds.

Those who assisted in entertainment were Mesdames C. A. Morton, H. H. Holeman, Clyde Ruby, H. F. Head, W. C. Morton and W. P. Ross.

The many gorgeous presents given to this popular couple were tokens of love from their legion of friends.

Miss Victory has been one of the most popular and most accomplished young ladies in the society circles in this community and has been the hostess of many beautiful social functions.

Mr. Hart is in the coal business known as the Brent Hart Coal Co. and is a most promising young man of Madisonville.

As Mrs. Hart ascended the stairway to don her traveling suit, she tossed her bridal bouquet to the young girls in the hall below, which was caught by Miss Louise McPherson, Miss Aileen Davis cutting the wedding ring in the wedding cake, it being a ring of Mrs. Victory's on a like occasion.

Mr. and Mrs. Hart left after the reception for Denver and points in California and the West, returning by the way of New Orleans and will make their home in Madisonville.

The Great Comedy Hit "SEVEN DAYS"

"Seven Days," one week of hilarious fun compressed into two hours and forty-five minutes of riotous laughter. That's the play, and it's coming to the GARRICK THEATRE Madisonville, Wednesday, Nov. 6. "A veritable conspiracy of fun," is the way Louis V. DeFoe, dramatic critic of the New York World, described this comedy. Said he in his review, "Seven Days" is filled with uproarious fun, with never a dull second. It convulsed its audiences. It contains every element of uncommonly good entertainment. The wonder of the play is that the authors, Mary Roberts Rinehart and Avery Hopwood could have started their fun flowing so spontaneously and kept it going so unflaggingly. Now in the second year of its run at the Astor Theatre, "Seven Days" has kept New York in paroxysms of merriment since its opening night, as for six months it created a hurricane of laughter in Chicago. Everybody agrees that it is the best comedy produced in this country in a decade, and it will be seen here under exceptionally attractive conditions, for Messrs. Wagenhals & Kemper are sending a brilliant New York cast and a gorgeous Astor Theatre scenic equipment. So get in training for this comedy, because, as Harper's Weekly said, "Seven Days" makes one weak—from laughing." Special prices: 25c to \$1.00.

Heed The Warning Shiver

It is easy in the world to live after the world's opinion; it is easy in solitude to live after our own; but the great man is he who in the midst of the crowd keeps with perfect sweetness the independence of solitude.

—Ralph Waldo Emerson.

Brain Power Always First.

The average brain worker. It is safe to allege, if given the preference between perfect bodily health accompanied by a sluggish brain, and the discomfort arising from physical suffering allied to a bright, active brain in good working trim would doubtless choose the latter.

Round Robin.

Derived from two French words meaning round and ribbon, a form of signing a petition of grievance by arranging the names in a circular form and was first used by certain officers of the French government.

City People Religious.

Kansas City, Mo., ranks next to Philadelphia among the large cities of the country for its religious habits. A census recently taken enumerated 22,000 names, and among these 47 per cent. were affiliated with some church. Philadelphia is one per cent. higher.

The Prussian building code has just received a rather remarkable amendment. It provides that the huts for the use of laborers connected with building operations must be suitably warmed between November 1 and April 1—when the outside temperature reaches fourteen degrees, that is, eighteen below freezing.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surface.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Baby Prints Not New.

Registering the finger prints of babies is nothing new, as every landlord who has to pay for fresh paint can testify.

And Borrowing Impossible.

Life is short, art is long, opportunity fugitive, experimenting dangerous, reasoning difficult.—Hippocrates.

A woman may vote as a stockholder on a railroad from one end of the country to the other; but if she sells her stock and buys a house with the money, has no voice in the laying out of the road before the door, which her house is taxed to keep and pay for.—George William Curtis.

DON'T BE BALD

Nearly Anyone May Secure a Splendid Growth of Hair

We have a remedy that has a record of retarding baldness and promoting hair growth in 93 out of every 100 cases where used according to directions for a reasonable length of time. That may seem like a strong statement—it is, and we mean it to be, and no one should doubt it until they have put our claims to an actual test.

We are so certain Rexall "93" Hair Tonic will eradicate dandruff, act to prevent baldness, stimulate the scalp and hair roots, arrest premature loss of hair and promote hair growth that we personally give our positive guarantee to refund every penny paid us for it in every instance where it does not give entire satisfaction to the user.

Rexall "93" Hair Tonic is as pleasant to use as clear spring water. It is delightfully perfumed and does not grease or gum the hair. Two sizes, 50c and \$1.00. With our guarantee back of it, you certainly take no risk. Sold only at our store—The Rexall Store, St. Bernard Mining Co., Incorporated, Drug Department.

Difference in Real Life.

The innate difference between real life and the stage is well illustrated by the fact that on the stage the people who sing "Auld Lang Syne" in a New Year's eve scene, do not forget the words.

Regulate the Bowels when they fail to move properly. HERBINE is an admirable bowel regulator. It helps the liver and stomach and restores a fine feeling of strength and buoyancy. Price 50c. Sold by St. Bernard Mining Co., Incorporated, Drug Department.

Call for Gratitude.

Seek to cultivate a buoyant, joyous sense of the crowded kindnesses of God in your daily life.—Alexander McLaren.

His Pleasure.

A famous king said: "If men only knew how pleasant to me it is to forgive faults, there is not one of them who would not commit crime."—From the Orient.

Seldom.

People who talk merely for the purpose of attracting attention to themselves seldom get the kind of attention that is worth anything.

God is Master.

God is master of the scenes; we must not choose which part we shall act; it concerns us only to be careful that we do it well.—Bishop Taylor.

Flagged Train With shirt

Tearing his shirt from his back an Ohio man flagged a train and saved it from a wreck, but H. T. Alston, Raleigh, N. C., once prevented a wreck with Electric Bitters. "I was in a terrible plight when I began to use them," he writes, "my stomach, head, back and kidneys were all badly affected and my liver was in bad condition, but four bottles of Electric Bitters made me feel like a new man." A trial will convince you of their matchless merit for any stomach, liver or kidney trouble. Price 50c at all Druggists.

Woman of Narrow Mind.

A woman lacking true culture is said to betray by conversation a mind of narrow compass, bounded on the north by her servants, on the east by her children, on the south by her ailments, and on the west by her clothes.—Burton Kingsland.

Work of Art Damaged.

Vandals have damaged the bronze statue of Farragut, by Saint-Gaudens, in Madison square, New York City, by breaking off the sword straps. This statue is regarded as one of the sculptor's finest works, and the parts stolen, though small, will be difficult to replace.

Don't waste your money buying strengthening plasters. Chamberlain's Liniment is cheaper and better. Dampen a piece of flannel with it and bind it over the affected parts and it will relieve the pain and soreness. For sale by all Dealers.

Women Oppose Suffrage.

Mrs. Clark Fisher of East Hanover street, Trenton, principal owner of the Fisher & Norris mill works, who is known far and wide throughout the country, conducted the fight for the anti-suffragists of New Jersey against the equal suffrage bill. She appeared at the hearing to be held in the state-house, and, with aids, offered arguments against votes being given to women in that state. Mrs. Fisher was asked to take up the fight there by the New York Anti-Suffrage League.

Cheapest accident insurance.—Dr. Thomas' Electric Oil. For burns, scalds, cuts, and emergencies. All Druggists sell it. 35c and 50c.

Removing India's Capital.

WELL DESERVED

The Praise That Comes From Thankful Earlington People

One kidney remedy has known merit. Earlington people rely upon it. That remedy is Doan's Kidney Pills. Earlington testimony prove it reliable.

Mrs. Joseph Blondin, Earlington, Ky., says: "You may continue to use my statement recommending Doan's Kidney Pills. Since they were used some years ago I have had no further need of a kidney medicine. A member of my family suffered from a very annoying case of kidney complaint for years. He took medicines and doctored faithfully, but could get no relief. His back pained constantly and the kidney secretions were unnatural. Doan's Kidney Pills had been highly recommended and he finally procured a supply at the St. Bernard Mining Co., Incorporated. The results of their use were all that could have been desired. Every symptom of kidney trouble disappeared in a short time."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Splendid Chance.

Andrew Lang's Handicap.

The London Spectator says that Andrew Lang always had poor health, and most of his work was done when he was tired and sick. This being the case, it is easy to understand and forgive his frequent crankiness.

To Make Tires of Paper.

Experiments have recently been made in Europe looking to the utilization of paper in the manufacture of pneumatic tires, tests recently made having convinced the experimenters that paper has the strength of metal, the elasticity of rubber, and a cheapness that is to be found in neither of these materials: all important qualities.

Overconfidence.

"Your opponent says he can win in a walk," said the campaigner. "Well," replied Senator Sorghum, "let us encourage that idea. If we can persuade him to hold himself down to a walk, maybe I can get up a burst of speed that will beat him."

Only a Fire Hero

but the crowd cheered, as, with burned hands, he held up a small round box. "Follows!" he shouted. "this Bucklen's Arnica Salve! I hold has everything beat for burns." Right! also for boils, ulcers, sores, pimples, eczema, cuts, sprains, bruises. Surest pile cure. It subdues inflammation, kills pain. Only 25c at all Druggists.

Work for Success.

If success doesn't come to you don't blame the world. It is the same world in which others have made good. Get busy and go after it.

In the Beginning.

"Papa, why does the frost always come in the fall?" "The habit, my son, originated in the Garden of Eden."

The boy's appetite is often the source of amazement. If you would have such an appetite take Chamberlain's Tablets. The not only create a healthy appetite, but strengthen the stomach and enable it to do its work naturally. For sale by all Dealers.

True Brotherly Feeling.

We must repeat the often-repeated saying, that it is unworthy a religious man to view an irreligious one either with alarm or aversion, or with any other feeling than regret and hope and brotherly commiseration.—Carlyle.

Hidden Treasure.

A diseased cow was removed from a dairy farm in New York by the state veterinarian and killed and dissected. In its stomach was found a gold watch with a gold chain attached to it. The watch had been lost several months before by a boarder on the dairy farm.

Possible Explanation.

In a Connecticut hamlet where old-fashioned regulations are in force, the night watchman has a dog that chases the young children of the streets at eight o'clock. This must be the dog that put the "cur" in curfew.—Cleveland Plain Dealer.

"I suffered habitually from constipation, Doan's Regulax relieved and strengthened the bowels so that they have been regular ever since."—E. Davis, Grocer, Sulphur Springs, Texas.

Much Bark from Cork Tree.
Occasionally 500 pounds of cork bark are taken from a single tree in Spain. "Cork wood" is first harvested when the tree has a circumference of about sixteen inches, and thereafter regularly every nine or ten years throughout the life of the tree. The best bark, commercially speaking, is produced when the cork tree is fifty to one hundred years old. Instead of injuring the tree, stripping the bark seems to add impetus to the growth of a new coat.

Far Be It From Him.

CLOSING OUT AT THE READ ME

All Roads Lead to T. O. Dillingham's
White Plains, Kentucky

For the next 30 days, I have decided to offer the majority of my stock of Merchandise at cost, only a few exceptions. The first place, we need the CASH; second place, we are going to make a decided change in our business, also building, and in order to fix the house up for the future business have decided to offer the bulk of our stock at ABSOLUTE COST.

As the work can't be done with all the goods in the house that I now have, I intend to make this EVERYBODY'S STORE. One that you can't help from talking about, and if I can only get you to talk about me your neighbor will know about this, THE RACKET STORE, the future store of White Plains. NOW THIS IS NO HOT AIR PROPOSITION. I intend to close this present stock out in the next 30 days.

Prices will be GALORE HERE, through the month of November. Sale is NOW GOING ON AND WILL CONTINUE throughout the entire month. Tell the good news to all your friends, and come and bring your neighbors with you. I am sure that you will never have another opportunity like this again soon. Opportunities like this, do not come every day. In this lot will be offered \$1,000 worth of Shoes, and everything else that you usually find in a general store.

The Same Man in the Same Stand

THINK IT OVER EITHER MR. TAFT OR MR. WILSON WILL BE ELECTED PRESIDENT

In Kentucky, the Progressive Party will fall far short of securing the required number of votes to qualify it as a political party within the provisions of our election laws. This is indicated clearly by their insignificant registration, and by the reports received by the Committee of conditions throughout the State.

Since the middle of September, the DRIFT HAS BEEN STEADILY TOWARD THE RE-ELECTION OF MR. TAFT and is INCREASING IN FORCE as the election draws near.

The reason for this is apparent to anyone giving the matter a moment's consideration. CONTINUOUS EMPLOYMENT IS AT HAND for all those who desire to find it and REMUNERATIVE PRICES REWARD THE PRODUCERS. THIS MEANS COMFORT FOR THE PEOPLE GENERALLY and accounts also for the absence of political excitement.

The VIOLATION OF THE MOST SACRED TRADITION OF THE REPUBLIC; opposition to a THIRD TERM as President for any man, and the ECONOMICAL THEORIES and VITAL CONSTITUTIONAL CHARGES involved in the candidacy of MR. Roosevelt, are issues of extreme importance, but the fact that HIS DEFEAT IS CONCEDED BY ALL, except his most ardent supporters, has to a large extent eliminated them from consideration.

THE RACE BEING BETWEEN THE REPUBLICAN AND DEMOCRATIC CANDIDATES; our confidence that the judgement of the people will lead them to RE-ELECT MR. TAFT is based upon the record; THE REPUBLICAN PARTY BELIEVES IN, AND WILL ADHERE TO THE PROTECTIVE TARIFF SYSTEM.

THE DEMOCRATIC PARTY BELIEVES IN TARIFF FOR REVENUE ONLY, which means FREE TRADE, and, if placed in power, will, if true to their platform declaration, seek at once to wipe out and DESTROY ALL ELEMENTS OF PROTECTION in our tariff laws. Their platform declaration of 1892 and 1912 on this question are identical and, in both, a PROTECTIVE TARIFF IS DENOUNCED AS UNCONSTITUTIONAL.

In 1892 the Democratic Party was successful upon this issue and they tried their hand on the tariff and the results well remembered. DISTRESS, MISERY, WANT AND ACTUAL STARVATION WERE GENERAL THROUGHOUT THE LAND and continued until the election of McKinley and the restoration of the Republican Party to control. They, of course, try to ex-

plain and absolve themselves of responsibility for the result, but they cannot deny actual conditions as they existed during their complete control of the executive and legislative branches of our government.

Now the country prospers. Business prostration in any line exists no where within its borders. The affairs of the government have been economically and efficiently administered. The government's control of trusts has been strengthened. A surplus remains in the treasury after the payments of all expenses. The trade of the country is larger than at any other period of its history.

A Republican administration with Mr. Taft at its head, has been and is now in charge. We know what we have in 1912. We know what we got as a result of 1892.

Under the one prosperity and penalty, under the other disaster and distress.

The only safe course lies in holding on to that which is good. Danger lurks in a change. No risk except in a change. Then why take that? A vote for Roosevelt is worse than wasted; it is a vote to take the risk.

So, Mr. Voter, whatever may be your occupation, think it over, while you yet have time, and let your vote Square with your judgment.

Roosevelt Delegates for Taft

Letter of Wm. Heyburn, President Belknap Hdw & Mfg. Co., and Roosevelt Delegate from Louisville to the Republican National Convention.

Louisville, Ky., October 25, 1912

Mr. Chas. L. Scholl,
Louisville, Ky.

My Dear Sir:--

Referring to your question as to what candidate I have decided to vote for, for President, at the November election, I would say that I am going to vote for Messrs. Taft and Sherman, whom I regard as the regular nominees for the Republican Party.

I attended the Chicago convention as a Roosevelt delegate, but from my observation and experience there I consider it was fortunate for the country and for the Republican Party as well, that Mr. Roosevelt was not nominated. I became convinced that Mr. Roosevelt's candidacy was the result of personal ambition and not for the purpose of furthering any particular politics or principles. I believe that with Mr. Roosevelt's co-operations it was possible for the Progressive element of the Republican Party to have nominated Governor Hadley or Senator Cummins, to have made any changes in the platform that might have been desirable to have revised the rules so as to eliminate the authority of the

National Committee, where even such authority as they had might be abused, and more important than all, to preserve the integrity and usefulness of the Republican Party.

Mr. Roosevelt's followers, by reason of their passionately stormy methods, used where no principles could possibly be involved with the same vehemence as where principles might be involved, destroyed my confidence in their level-headedness and good judgment. I was well prepared by what I saw at Chicago, for the lack of the sense of proportion that lead to the action of Roosevelt supporters in undertaking to establish the Progressive Party.

As for myself, I can see no hope of accomplishing progressive measures by this procedure and grave danger of weakening the influence of the Republican Party for good along many lines.

The Republican platform relative to Tariff politics appeals to me with peculiar force. I have had the advantage of knowing something about the working effect of tariff schedules and tariff policies on business, and, without feeling intolerant of the opinion of other men, am satisfied that the republican policy of protection is for the general interest as well as general prosperity. I believe that if Dr. Wilson is elected President, he will probably call an extra session of Congress, to revise the Tariff, and immediately business will stagnate. The demand for the products of the farm and factory will drop off, and the necessary accompaniment to this will be a falling market. If the tariff schedules are so made as to threaten American producers with serious competition from abroad, where the price of labor is so much lower than here, the condition of stagnation will be permanent, or until the policy is changed. If the change made by such a special session not such as to bring the American consumer into competition with the foreign producer. I can see no logic in changing the tariff, hence the program of the Democratic Party becomes a futile one.

No one who is thoughtful can doubt that if the Democratic Party is elected to power by a large majority, as some claim it will be, it will be a very radical free trade, or, "Tariff for revenue only" Party. No honeyed pre-election phrases of Dr. Wilson, delivered in Pittsburg to placate the voters in the district, where protection sentiment is supposed to be extensive, will change this fact. Those who vote for Dr. Wilson, should do it with the full knowledge of what it means, and should not vote for him unless they believe in the tariff for revenue only, which is the real meaning of the Democratic platform and the real intention to the Democratic Party. Those who believe in a protective tariff policy and expect to make their vote effective, should, in my opinion, stay with the Republican party, whether in their opinion it is managed in every detail to suit them or not.

Yours very truly,
WILLIAM HEYBURN.
